

The logo for Elio's, featuring the name in a white, elegant serif font with a small apostrophe over the 'i'.

Did you know that we were the first
ever cocktail bar in Edinburgh?

Established in 1978, under the original name 'Madogs',
our family-owned venue marks the very beginning of
Edinburgh's cocktail culture.

Over the years our bar has become something of a
Scottish institution and has welcomed both royalty and
renowned artists from the likes of Princess Anne to
'The Temptations'.

Now passed from father to son, today, we proudly bear
the name 'Elio's' in loving memory of the man who
brought warmth to every pour.
